A BILL FOR

1 An Act providing for the issuance of restricted motor vehicle
2 dealer licenses.
3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:
4 TLSB 2221HC 83
5 dea/nh/8

PAG LIN

1 1 Section 1. Section 322.7, Code 2009, is amended by adding
2 the following new subsection:
3 NEW SUBSECTION. 5. The department may issue a restricted
4 motor vehicle dealer license permitting and limiting the sale
5 of motor vehicles as provided in a general plan submitted
6 pursuant to section 322.4, subsection 1, paragraph "f",
7 detailing the limited purpose for which the applicant desires
8 to be licensed and the proposed method of doing business. The
9 following persons are eligible to apply for a restricted
10 license under this subsection:

11 a. A person who rebuilds new completed motor vehicles by
12 fabricating, altering, adding, or replacing essential parts,
13 components, or equipment for the purpose of building an
14 ambulance, rescue vehicle, fire vehicle, or towing or recovery
15 vehicle as defined in chapter 321. The license shall be
16 restricted to sales of new motor vehicles of the make and
17 model rebuilt without written authorization from the
18 manufacturer.

19 b. A person who installs cranes, hook loaders, buckets,
20 aerial ladders, tanks, or special equipment on new completed
21 motor trucks with a gross vehicle weight rating of fourteen
22 thousand five hundred pounds or more. The license shall be
23 restricted to sales of new motor vehicles of the make and
24 model on which the equipment is installed without written
25 authorization from the manufacturer.

26 EXPLANATION

27 This bill authorizes the department of transportation to
28 issue a restricted motor vehicle dealer license to a person
29 who makes certain modifications to new completed motor
30 vehicles. The license would be available to persons who
31 rebuild ambulances, rescue vehicles, fire vehicles, or towing
32 or recovery vehicles and would be restricted to sales of new
33 motor vehicles of the make and model rebuilt without written
34 authorization from the original manufacturer. The license
35 would also be available to persons who install cranes, hook
2 1 loaders, buckets, aerial ladders, tanks, or special equipment
2 2 on new completed motor trucks with a gross vehicle weight
2 3 rating of 14,500 pounds or more and would be restricted to
2 4 sales of new motor vehicles of the make and model on which the
2 5 equipment is installed without written authorization from the
2 6 original manufacturer.

2 7 The bill requires an applicant for a restricted license to
2 8 submit a general plan with the application for licensure
2 9 detailing the proposed use of the license and the business
2 10 plan the person intends to follow. The issuance of a
2 11 restricted license is at the discretion of the department
2 12 under the bill.
